TOURNAMENT HISTORY

The original tournament began in 1967 as the Loyola Centennial Tournament. During its six year history, the Loyola Tourney attracted such outstanding teams as Michigan Tech, Harvard, Boston College, Boston University, Clarkson, Toronto, Alberta, St. Mary's and Sir George Williams.

The Centennial Tournament was superseded by Hockey Canada which Loyola hosted for two years. Hockey Canada discontinued its sponsorship and Sir George Williams University continued the tourney in 1974-75. The MICRON Tournament is now in its 3rd year with the backing of a major skate manufacturer "MICRON", it has become Canada's outstanding College Hockey Tournament, attracting the finest teams and players from both Canada and the United States.

SCOUTING REPORT

CONCORDIA UNIVERSITY STINGERS

The Stingers have 15 lettermen returning from last seasons 29-13-2 Quebec Champions. Last season with 14 rookies in the line-up, the Stingers captured 3 major tournaments and were narrowly edged in the Nationals 4-3 by the eventual Canadian Champion Alberta Golden Bears. Top lettermen returning include All-Canadian Doug Feasby, new Stinger record holder for most points and most assists; defenseman Mike Walker and Kevin O'Neill and 6'3" winger Mike Piano. The Stingers are quick and can score goals. They must concentrate on good defensive hockey and get outstanding goaltending from last years backup netminder, Doug Dragasevich and rookies Tom Hasenzahl and John McLeod.

BRANDON UNIVERSITY BOBCATS

With 18 players returning from last years Great Plains Conference regular season champions, the Bobcats are rated a solid contender for National honors this season. The Bobcats are a big aggressive club with plenty of speed and outstanding goaltending. They beat both Concordia and Alberta in their pre-season tournament, before being narrowly defeated by Saskatchewan. They hold early season victories over last year's N.C.A.A. National champs, North Dakota and Chicago Circle. They are led by former McGill University star, John Swan and All-Star goaltender, Vern Mott.

UNIVERSITY OF ILLINOIS — CHOCAGO CIRCLE — CHIKAS

The University of Illinois started their hockey program in 1966 with a local independent schedule. In 1978-79 they reached the N.C.A.A. Division II Championships but were defeated by the eventual champions, Lowell. Last year they lost their first 11 games but finished the season with 11 straight victories to give them a 14-13 mark. They have been accepted into the Division I Central Conference for next season, playing against such power-house clubs as Notre Dame, Ohio State and Michigan Tech. With the largest college operated hockey facility and dynamic recruiting program, the circle with Coach John Kantarski is Ready to Roll!!

UNIVERSITY OF TORONTO VARSITY BLUES

Last year the Blues, with 13 rookies, finished in first place during their Ontario Conference regular schedule with a 17-2-3 record. Having gained that years experience, the Blues should be a strong contender for the Canadian Championship, which the University of Toronto has won 9 times since 1965. Their lineup includes Dan D'Alvise and Stelio Zurpancich from Canada's Olympic team and 15 returning lettermen. They are ranked as favourites to capture the Ontario Conference and they have already won both the York and Toronto pre-season Invitational Tournaments. They captured the MICRON Tournament in '79 and were defeated in the final last season by Concordia.

If we hadn't just won the gold medal for the 7th straight year we wouldn't have been able to run this ad again.

When a whisky wins 7 international gold medals in a row, it's got to have more going for it than luck.

And our ad agency really likes this ad. They think it should also win an award. They say that it takes just as much talent to turn out a prize winning ad as it does to make a prize winning whisky.

But frankly we'd rather have our vat taster make our ad, than have our ad people make our whisky.
